

**ALOMEL ROBBED
OF ITS NAUSEA**

Medicinal Virtues Retained
and Improved—Unpleasant
and Sickening Qualities Re-
moved—New Tablets Called
"Calotabs."

The latest triumph of modern pharmacy is a "de-nauseated" calomel, known to the drug trade as "Calotabs." Calomel, the most generally useful of all medicines, enters upon a wider field of popularity—purified and refined from those objectionable qualities which have heretofore limited its use. In biliousness, constipation and indigestion, and in a great variety of other stomach and kidney troubles, calomel was the most successful remedy, but its use was often neglected on account of its sickening qualities. Now it is the easiest and most pleasant of medicines to take. The new tablet on the tongue at bedtime with a swallow of water—that's all, no taste, no griping, no nausea, no drowsiness, no sleep and the next morning you are feeling fine, with a clean liver and a big appetite. Eat what you please. No danger.

**Are You Awaiting
The Great Crisis?**

So, Do Not Allow the Time to Pass
With Nausea Unsatisfied.

Women who give nature a helping hand during the period of expectancy find that when the time arrives for the coming of life is approached and passed with infinitely less pain and danger. Thousands of women for over half a century have learned that in the time-honored preparation, Mother's Friend, they have a grateful, relaxing, refreshing remedy, the use of which makes it possible for them to go through childbirth without the usual pains, nervousness, bearing-down and retching pains, and that through its use the hours at the crisis are fewer and of much less pain and danger. Mother's Friend penetrates the muscles, rendering them pliant and easily governed by the demands of nature, and calms restful nights. As the result of the crisis is passed with greater ease and in less time, the breasts are kept in good condition and the skin is made soft and free from blemishes. Write to the Bradlee Regulator Company, Dept. P. Lamar Building, Atlanta, Georgia, for their Mother's Friend, and obtain a bottle of Mother's Friend from your druggist today and thoroughly fortify yourself for the coming event.—(Adv.)

Timely Warning.
Don't wait until the last minute, as soon as you feel the attack coming, you can usually ward it off. You are timely warning, as your appearance falls some hours before the attack appears and you keep on eating because it is meal time. Skip one meal and take a dose of Chamberlain's Tablets and the attack can usually be prevented and all the distressing symptoms avoided. Try it.—(Adv.)

Gentlemen—You remember that recently when we needed a stenographer I phoned you to send me one, you sent me Miss Christiana Smith.

We are now writing to thank you for sending us one who could at once get thoroughly and satisfactorily discharged. We consider Miss Smith's assistance due largely to the thorough training received in your school and we congratulate you on having a school with so high a standard.

Yours truly,
STARR PIANO CO.,

**FEDERAL COURT WILL
ADJOURN WEDNESDAY****BIG BANKRUPTCY CASES
YET TO BE HEARD.**

Chattanooga Railway and Light Company Case Allowed Full Day.

Wednesday of this week ends the present term of federal court. Immediately upon completion of the hearing of the case in equity of the Commercial Trust Company vs. the Chattanooga Railway and Light Company, Judge Sanford goes to Nashville to sit at a hearing of an important civil case in that city and on federal court in Knoxville.

District Attorney W. T. Kennerly and his assistant, Baxter Lee, left for Knoxville Saturday night and will have everything in readiness for the term there. The last case on the criminal docket was that of the United States vs. Emmett S. Newton, which case went to the jury this afternoon following Judge Sanford's charge at 1 o'clock.

In this case Judge Sanford this morning postponed charging the jury until 1 o'clock, allowing the additional time for counsel for the defense to file briefs stating whether or not the undivided profits or earnings in a partnership of the kind of which Newton is a member constitute an income as of a given date.

Decision as to whether or not the receivership of John Graham and Percy Warner shall extend over the lighting department of the Chattanooga Railway and Light Company as well as the railway system, will be given by Judge Sanford when the Commercial Trust company case is heard Wednesday. The receivers will attempt to prove that the lighting department grew out of funds spent in organizing the old street railway system and that the mortgage held by the Commercial Trust company should include the lighting department. A full day has been set aside for the hearing by Judge Sanford and full arguments on both sides will be entered into.

**RETURN ONCE MORE TO
THE "CAR BARN" SITE**

SELMAN STABLE AND ARMORY APPRAISED.

Century Co. Will Take Latter. Although Much Opposed, Site Now Favored.

Despite opposition, a majority of the auditorium commissioners held to again be supporting the car barn site at the corner of Market and Fourth streets, it developed Monday morning. It is understood that the consent to dispose of the Armory site has been gained from the Armory board of trustees, who in turn have been guaranteed a drill floor and offices in the basement of the new auditorium.

The title to the Armory site at the south corner of Fourth and Market streets, which the auditorium commission proposes to exchange for property just across the street, is said to be vested in the city.

**ELECTION COMMISSION
IS REAPPOINTED**

State Election Commission Rewards Services of Hamilton Commissioners.

The entire Hamilton county election commission composed of Theo. King, J. B. F. Lowry and McKinley Hays, were reappointed Monday by the state board of elections. The three Hamilton county members were recommended for reappointment on account of their excellent services and the state board in reappointing them stated they had had no fault to find and nothing but praise for them. Some time ago Mr. Lowry expressed his intentions of retiring and recommended that J. B. Merriam, Jr., be given the vacancy. However, an effort was then made to have an appointee favorable to republican interests named and Mr. Lowry promptly put his disapproval on this by saying he would again accept the place himself. Mr. King is the chairman of the commission and Mr. Lowry is the secretary. Mr. Hays is the republican member.

**WILL REBUILD FACTORY
ON MUCH LARGER SCALE**

New \$77,000 Structure Will Replace Building Recently Burned.

Ground was broken on the property of the American Manufacturing company on Water street Monday morning for a new building, which will increase the capacity about one-third. Manager J. B. Robinson stated Monday morning. The old plant, it will be remembered, was totally destroyed by fire a month or so ago. The building which burned was 175 by 140 feet, part of the building being two stories in height.

The new factory will be of concrete construction, fireproof throughout. The building alone will cost \$77,000. It will be considerably larger than the old building. It will be one story in height, with a floor space of 140x140 feet. A permit for \$15,000 was taken out Monday morning for the preliminary work.

At the time of destruction by fire the plant was engaged in the manufacture of hardware specialties. With the completion of the new plant the company will manufacture a more extensive line.

**WHO INDORSED PARKS
WORLEY FOR MARSHAL?**

Democrats of Middle Tennessee Aroused and Will Protest Appointment.

Nashville, June 30.—(Special).—Although it is current talk here that Gov. Roberts and other state officials, including Speakers Andrew L. Todd, of the senate, and Seth M. Walker, of the house, have indorsed J. Parks Worley for the position of United States marshal for East Tennessee, no one is putting out anything in the way of definite information, it being evident that those involved are waiting for Senator John K. Shields to make public his reasons for Worley's appointment, as he previously announced he would do in the near future. In spite of the indorsements, as rumored, it is understood that many prominent democrats of the state do not approve of Worley's appointment and are making a fight to have it quashed before a chance for confirmation.
